Re: Late Q2 Filing

On Friday, July 15 the Committee attempted to file the Q2 quarterly report. On first attempt the Committee incorrectly marked the report as Q1 instead of Q2 and received the following message:
The Q1 report from C00521781 filed on 07/15/2016, could not be processed because an incorrect ending coverage date 06/30/2016 was used for this report.

The Committee made the correction and on a second attempt the Committee received the following message:
Form transmitted successfully! (null).

The following morning, the committee discovered that the report had not been published and that a confirmation email had not been sent. The Committee attempted numerous times to file the report and eventually the report was accepted on Saturday July 16. The Committee has retained screen shots of the failed attempts to file the Q2 quarterly report.

Thank you,

Joe Garcia for Congress
